

COUPEVILLE SCHOOL DISTRICT NO. 204
Island County, Washington
Resolution No. 2018-03

A RESOLUTION of the Board of Directors of Coupeville School District No. 204, Island County, Washington, calling for a special election in order to submit to the qualified electors of the district the proposition of whether excess property taxes should be levied to pay for continued high quality academic and non-academic programs and maintenance and operation purposes that are eligible activities and not funded by the State of Washington.

WHEREAS, Coupeville School District No. 204, Island County, Washington (the District), is a second-class school district duly organized and existing under and by virtue of the Constitution and laws of the State of Washington;

WHEREAS, pursuant to RCW 84.52.053, the District may authorize a four-year excess levy for maintenance and operations/enrichment purposes when authorized to do so by a majority of the qualified electors of the District;

WHEREAS, the Board of Directors of the District (hereinafter "the Board") hereby determines that the money in and to be paid into the District's general fund during the 2018-19, 2019-20, 2020-21 and 2021-22 school years will be insufficient to enable the District to pay for continued high quality academic and non-academic programs and maintenance and operation purposes;

WHEREAS, the Constitution and laws of the State require that the proposition of whether or not such excess taxes may be levied must be submitted to the qualified electors of the District for their approval or rejection; and

WHEREAS, the Board deems it necessary and advisable to place the proposition for such excess tax levies before the qualified electors of the District at an election to be held within the district on February 13, 2018;

NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED by the Board, as follows:

Section 1. The Board hereby determines that the welfare of the students and other residents of the District requires the District to place before the qualified electors of the District, for their approval or rejection, the issue of whether excess property taxes should be levied within the District to pay for continued high quality academic and non-academic programs and maintenance and operation purposes that are eligible activities and not funded by the State of Washington.

Section 2. To provide money to pay for continued high quality academic and non-academic programs and maintenance and operation purposes that are eligible activities, the following taxes for the District's general fund should be levied upon all taxable property within the District in excess of the maximum annual tax levy permitted by law without a vote of the electors:

Levy Year	Collection Year	Levy Rate*	Estimated Total Amount
2018	2019	1.19332	\$2,440,000
2019	2020	1.19332	\$2,440,000
2020	2021	1.19332	\$2,440,000
2021	2022	1.19332	\$2,440,000

*The actual levy rate per \$1,000 of assessed valuation depends upon the final dollar amount of assessed value of the property within the District. The exact levy rate shall be adjusted based upon the actual assessed value of the property within the District at the time of the levy.

Section 3. If the proposition specified in Section 6 below is approved by the qualified electors of the District as required by the Constitution and laws of the State, the District shall be authorized to use such levy proceeds during the 2018-19, 2019-20, 2020-21 and 2021-22 school years to pay such part of the District's continued high quality academic and non-academic programs and maintenance and operations as may be authorized or allowed by law for the use of such excess levy funds.

Section 4. Upon approval of such proposition, the District may issue warrants, bonds, or other lawful indebtedness against the District's general fund for such maintenance and operations/enrichment expenses.

Section 5. The Board hereby finds and declares that an emergency exists due to the District's need to provide for continued high quality academic and non-academic programs and maintenance and operations of the District as described in Section 3 above, which emergency requires the approval or rejection by the qualified electors of the District at a special election to be held on February 13, 2018, of the proposition of whether or not the District shall levy such excess property taxes.

Section 6. The Island County Auditor, as ex officio Supervisor of Elections for the District, is hereby requested to find the existence of such emergency; to call and conduct such special election to be held within the District on Tuesday, February 13, 2018; and to submit to the qualified electors of the District the proposition in substantially the following form:
